

HomesMeet Privacy Policy

Version 14th January 2011.

Registrar

AccelBit Inc. (Business ID 2060048-4)

Postal address:

AccelBit Inc.
PL 16
90501 Oulu, Finland

The Person Responsible for the Register

Jukka Hietanen
E-mail: jukka.hietanen@accelbit.com

The Purpose of the Register

Customers' personal data and created content are stored to the registry for following purposes:

- A) Customer identification when logging in to the service.
- B) Contact the clients if problems arise.

The information is also used for customer relationship management purposes. Personal information is handled in accordance with the Personal Data Protection Act. Personal data is stored in the register only as long as necessary to provide the service. If user cancels his/her account, data is erased from the register.

The Information Stored to the Register

The following information is stored to the register:

- A) Customer's email address

Removal of Information from the Register

Customer's email address can be removed from the register by request from the customer. In that case, the user's account is also deleted.

Right of Inspection

Customer has the right to inspect what information has been stored about him/her in the register. The inspection request must be sent to the registrar in writing and duly signed by the customer.

Transmission of Private Data

Customer's email address is transferred via regular web traffic (HTTP) between customer's web browser and HomesMeet server.

Protection of the Register

Register access is limited to persons responsible for maintenance. Data is stored to AccelBit's password-secured servers.

Information Disclosure

Register information is not disclosed to third parties unless AccelBit Inc. is compelled to do so by law.

Transfer of Data from the European Union or European Economic Area

Register data can be transferred outside European Union or European Economic Area.
